Dear Scorch,

Thank you for your interest in Southeastern University! We are excited to share your personalized financial aid offer with you and look forward to having you as part of the Fire Family. We have reviewed your Free Application for Federal Student Aid (FAFSA) and/or admission application, and have determined your eligibility for financial assistance as listed below.

Your aid offer has been created based on the cost of attendance included in the accompanying aid offer brochure (using On-Campus housing costs in the calculation). See the enclosed brochure for details. Please note, need-based aid offered may be subject to change based on future corrections to FAFSA information.
