The Writing Process

1 Prewriting
Think and plan your ideas

What do I want to say?

How will I say it?

What do I know about my topic?

Think

2 Drafting
Create a draft using your ideas

What is the purpose of my writing?

How do my ideas connect?

What other information should I include?

Write

3 Revising
Make improvements on the draft

Does the writing remain focued?

Is there extra information that needs to be addressed?

Does the writing flow well?

Improve

4 Editing
Proofread then correct any mistakes

Does the writing flow well?

Is it following grammatical rules?

Have I marked all my corrections?

Correct

5 Evaluating
Assess the final copy

Does the writing flow well?

Did I keep the topic?

Is the final copy my best work?

Assess
